

To reinforce our Finance controlling team near Budapest, we are seeking a

## **Plant Controller** [all genders]

The position is based in Europe (Bicske, Hungary and flexible option to home office), occasional business travel.

Vincotech is the go-to source for power modules that drive motion control, renewable energy, and power supply applications. We work hard to deliver off-the-shelf and made-to-order products to meet all our customers' needs.

**Fast and flexible is our motto. Everything we do gets done with the future in mind. This is where you come in.** Join us, a successful market leader and reliable partner, to help build a better tomorrow with sustainable technologies. Let's make an impact together.

Headquartered in Unterhaching near Munich, we also own and operate a plant in Bicske, Hungary, and maintain sales offices around the world. Our global team of 9000 people welcomes you to Vincotech, a Mitsubishi Electric Corporation company.

## **Your skills are in demand. We need you to:**

- / Participate in monthly/quarterly closings and budgeting process
- / Participate in standard costing process, as well as analyzing and reporting standard costs and monthly variances
- / Analyze of production costs, material variances
- / Prepare ROI calculation for investments
- / Monitor and analyze factory KPIs and inventory (including WIP accounting, inventory valuation, obsolete policy, other inventory accruals)
- / Participate in cost reduction projects and approval of project calculations

### **Vincotech Hungária Kft.**

Kossuth Lajos u. 59    2060 Bicske    Hungary

## **Your credentials are persuasive. You have:**

- / Degree in Economics [preferably in finance]
- / Advanced level of English in terms of both oral and written skills
- / At least 5 years of experience gained at a multinational production [preferably electronics] company in the field of plant/production controlling
- / Working experience in SAP is highly regarded
- / Demonstrated computer proficiency using Microsoft Excel / Power BI
- / Strong interpersonal and communication skills
- / Strong analytical skills and proven aptitude for numbers
- / Accuracy, precision and flexibility
- / Ability to work both independently and in team
- / Project approach

## **Join us and take this opportunity to:**

- / Be part of a company, which is a key enabler of efficient and affordable energy use everywhere, which is one of the most important megatrends of our society and a necessity for generations to come
- / Drive change and have a direct impact on future business and the future of Vincotech
- / Be part of a motivating company culture where flat hierarchies and quick decision-making are realities rather than wishful thinking
- / Find long-term career prospects, an attractive salary and very good benefits – all this can be part of your priority package at Vincotech

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
