

To reinforce our R&D team near Budapest, we are seeking a

## **NPI PROGRAM MANAGER**

[all genders]

**Vincotech**

The position is based in Europe (Bicske, Hungary and flexible option to home office), occasional business travel.

Vincotech is the go-to source for power modules that drive motion control, renewable energy, and power supply applications. We work hard to deliver off-the-shelf and made-to-order products to meet all our customers' needs.

**Fast and flexible is our motto. Everything we do gets done with the future in mind. This is where you come in.**

Join us, a successful market leader and reliable partner, to help build a better tomorrow with sustainable technologies. Let's make an impact together.

Headquartered in Unterhaching near Munich, we also own and operate a plant in Bicske, Hungary, and maintain sales offices around the world. Our global team of 900 people welcomes you to Vincotech, a Mitsubishi Electric Corporation company.

### **Your skills are in demand. We need you to:**

- / Take overall responsibility for developing and rolling out new products
- / Manage projects' personnel, organize meetings, coordinate and follow up
- / Manage new product developments; prepare [plan, schedule and budget resources and time], track [compare progress to baseline plan] and wrap up projects
- / Ensure projects' technical, time and budgetary goals are met to facilitate mass production
- / Liaise with R&D, operations, product marketing, sales and customers
- / Flexibly adapt projects to rapidly changing demand
- / Report the project's status weekly and monthly to customers, management and sales

## **Your credentials are persuasive. You have:**

- / Advanced engineering qualifications [degree in electrical, mechanical or chemical engineering]
- / At least three years' experience working for electronics manufacturers
- / Excellent spoken and written English skills
- / A good grasp of the financial, economic and technical aspects of electronics engineering
- / Experience putting project management methods into practice
- / Experience coordinating project-related tasks delegated to other departments' staff
- / High-performing capabilities, a methodical approach and excellent communication skills
- / Good organizational and analytical skills and the focus to monitor tasks attentively
- / Experience defining, delegating and monitoring tasks clearly and precisely
- / A customer-centric outlook

## **Join us and take this opportunity to:**

- / Be part of a company, which is a key enabler of efficient and affordable energy use everywhere, which is one of the most important megatrends of our society and a necessity for generations to come
- / Drive change and have a direct impact on future business and the future of Vincotech
- / Be part of a motivating company culture where flat hierarchies and quick decision-making are realities rather than wishful thinking
- / Find long-term career prospects, an attractive salary and very good benefits – all this can be part of your priority package at Vincotech

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
