

To reinforce our engineering team near Budapest, we are seeking a

PROCESS ENGINEER TRAINEE

[all genders]

Vincotech

The position is based in Europe [Bicske, Hungary].

Vincotech is the go-to source for power modules that drive motion control, renewable energy, and power supply applications. We work hard to deliver off-the-shelf and made-to-order products to meet all our customers' needs.

Fast and flexible is our motto. Everything we do gets done with the future in mind. This is where you come in.

Join us, a successful market leader and reliable partner, to help build a better tomorrow with sustainable technologies. Let's make an impact together.

Headquartered in Unterhaching near Munich, we also own and operate a plant in Bicske, Hungary, and maintain sales offices around the world. Our global team of 900 people welcomes you to Vincotech, a Mitsubishi Electric Corporation company.

Your skills are in demand. We need you to:

- / Support process engineering activities
- / Collaborate with engineers to conduct and evaluate tests to improve processes
- / Install components in machines and analyze root causes of quality issues

Your credentials are persuasive. You have:

- / Intermediate spoken and written English skills
- / Preferably, knowledge of statistical methods such as Minitab
- / The ability to communicate well, solve problems and work independently
- / A resourceful, decisive mind and an aptitude for carrying out tasks precisely
- / Enrolled as an active or passive student in a mechanical engineering, electrical engineering or manufacturing technology program

EMPOWERING YOUR IDEAS

Join us and take this opportunity to:

- / Be part of a company, which is a key enabler of efficient and affordable energy use everywhere, which is one of the most important megatrends of our society and a necessity for generations to come
- / Drive change and have a direct impact on future business and the future of Vincotech
- / Be part of a motivating company culture where flat hierarchies and quick decision-making are realities rather than wishful thinking

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
